We are looking for enthusiastic and dedicated students to get involved in the NCUC ExPO 2023. All you have to do is create and share a 10-minute presentation on one of the following themes:

HERE AND NOW – THEME: **POSITIVITY**

Create a 10-minute presentation detailing how you embrace positivity and resilience in your life and/or your studies. Examples include:

- Have you ever needed to overcome any major life hurdles with a positive mindset?
- Have you come back to education after time away?
- Have you shown resilience to come out the other side stronger?

WHAT'S NEXT? – THEME: **ASPIRATION**

Create a 10-minute presentation on what you aspire to achieve – don't be afraid to dream big and share your ideas for the future! Examples include:

- Where do you see your goals taking you next?
- How have your studies inspired you?
- What are the aspirational steps you will take after your degree?

BIGGER THAN US – THEME: **CREATIVITY**

Create a 10-minute presentation exploring how you creatively engage with all the big issues of today, be it through writing, photography, dance or artwork. Examples include:

- How do you approach wider issues like global warming, gender inequality or human rights?
- In what ways does the world around you influence your art?
- How will your creativity shape your way through life?

Decide on the category that you would like to present on, then fill in [this form](#) and we'll get in touch. Every participant who gives a 10-minute presentation on these topics automatically wins a £20 Amazon voucher. The winner from each panel will be entered into our prize draw to win the GRAND PRIZE.
